

Les Cayes, Haiti
June, 2015

I am a married father of three who loves serving Jesus and pursuing wild adventures. My most recent adventure took our family from Charlotte, NC to Boulder, CO in June 2012 to begin a non-profit called the Reverence Movement.

In Boulder, we invite people from all walks of life to better understand Jesus, by teaching them how to serve and love the marginalized of our city. We accomplish this through a variety of weekly programs, including a local day shelter, advocacy and housing assistance program for homeless women in Boulder. Also, we provide families and individuals with opportunities to serve and be in community with like-minded people.

Prior to moving to Boulder, I served as the Worship Pastor and Programming Director at Forest Pointe Church in Belmont, NC. In my three years at Forest Pointe I managed a full technology upgrade, instituted weekly programming improvements and developed several leaders and musicians.

From June 2005 until January of 2009, I served as the full-time Worship Pastor for Southbrook Community Church in Weddington, NC. As the Worship Pastor, I scheduled the worship leaders and musicians while also preparing the music for three separate locations each weekend. I also led the process of writing, arranging and recording two worship albums. During my time at Southbrook the Worship ministry expanded to nearly 50 gifted volunteer musicians.

I have enjoyed my time leading The Reverence Movement; I feel it has taught me how to be a true worshipper. With that, I am ready to transition back into a role as a Worship Pastor. Leading worship will allow me to once again, invest in and mentor young musicians. I would love the opportunity to combine what I've learned through serving and loving marginalized people, with leading a worship ministry.

A Previous Life

My life long love for music began in high school when I started playing guitar and piano. My passion continued after graduation when I spent 3 years as a disc jockey and producer for top 40 radio stations. Then, in 1988 I began a career in the building trades. I spent nearly 17 years holding various positions within the construction field (e.g., Commercial Construction Superintendent and Residential Building Foreman). In 2000, I accepted a position as a Worship Pastor and worked bi-vocationally until transitioning to full time ministry in 2005.
